**PICK UP** Your order will be conveniently packed in disposable containers. We'll pack plenty of plates, plasticware, cups, condiments and ice. When you pick up, our team members will go over the checklist with you to make sure you have everything, and help you out to your car.

**DELIVERY & SET UP** We'll arrive 15 to 30 minutes before your scheduled serving time, bringing your items in disposable containers along with plates, plasticware, cups, condiments and ice. We'll arrange everything, make sure you're set, and head out.

**FULL SERVICE** This is a complete buffet where we'll take care of everything. We'll set up beautiful serving tables with custom chafers and tablecloths. Our team members will attend the buffet to keep it full and tidy. One hour of serving is included, but we can arrange for more time. After serving, we'll pack up and "leave it like we found it". That's a promise. We'll also be happy to work with you to create a custom menu.
